

Finale Quick Tips

Ch 14 – Create Your Own Composition

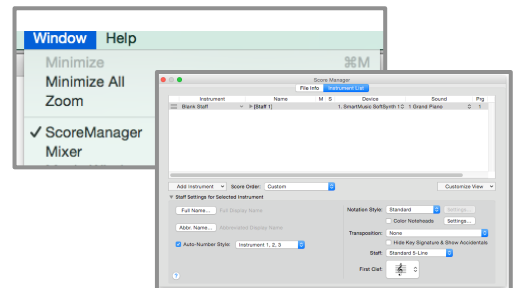

1. Adding Lyrics

- Click the Lyric Tool
- Click on the first note
- Look for the cursor to appear below the note
- Type in the word or syllable
- Press the space bar to move to the next word or the ‘hyphen’ key to move to the next syllable

2. Add a New Instrument

- Go to Window menu at the top of the screen and select ‘Score Manager’
- Click the Instrument drop down menu to select a voice

3. Add Chord Symbols

- Select the Chord Tool on the Main Tool Palette
- Click a note to add the chord symbol
