

Sibelius Quick Tips

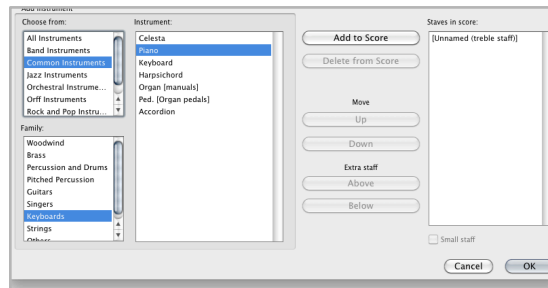

Ch 14 – Create Your Own Composition

1. Adding Lyrics

- Select the first note of music
- Hold the Command (Mac) or Control (PC) Key
- Type the letter 'L' – for Lyrics
- Look for the cursor to appear below the note
- Type in the word or syllable
- Press the space bar to move to the next word or the hyphen key to move to the next syllable

2. Add a New Staff

- Type the letter 'I'
- Select an instrument
- Click add to score
- Click 'OK'

3. Add Chord Symbols

- Go to the 'Text' tab
- Click the Chord Symbol Icon
- Click above the note in the staff to place the chord
